2002 Yearbook Dedication

MR WILLIAM YOUNG

This dedication is for a highly regarded and much loved man. He has taught at Waltham High School for 32 years helping not only his own students but other students as well, while never expecting anything in return. He has inspired students to do their best to achieve their goals. He has always shown his commitment to his students and to his work by his involvement with the school and its occupants.

He graduated from Boston State College with a Bachelors degree in mathematics and went on to get his Masters in teaching at Simmons College. He began his career at Waltham High School in 1970 and has continued to take classes at Boston College, Northeastern University, Salem State College and Mt. Holyoke College. He and his wife of over thirty years, Pamela, have 3 children.

Over the years he has been involved in many activities at the high school. He was a chess coach in the late 70's and early 80's. He has worked in the MCAS after-school program, committing himself to helping students to do well on this high stakes test. He has worked with students at Leary Field during the summer months and is often found working the admissions gate at athletic events. He has held fund-raisers for the Math Department's many scholarships and awards. Over the past two years he has raised over $5000, helping many to meet the cost of college.

The class of 2002 would like to thank this outstanding and generous man for his contributions and support of Waltham High School and it's students. I am privileged to present this year's Mirror Dedication to Mr. William Young.

2002 Yearbook Dedication

MR STEPHEN GRANT

Throughout our years at Waltham High School many of us seniors have had the opportunity to work with special teachers. Maybe they were your coach, your club advisor, or just a person who helps you with everyday decisions. No matter what the relationship these teachers have always been there for you, they have always guided you in the right path and they always know just what to do. This year many of us have had this encounter with a man who not only knows how to produce a yearbook but also could tell you anything having to pertain to Physics. This man graduated from Waltham High School in 1964 then went to Boston State College where he got his Bachelors in Science and his masters in Natural Science. He then came back to Waltham High School in 1968 where he began teaching Physics. In 1992 he became the advisor of the Waltham High School Mirror and in the mean time he married his lovely wife Norma, had three sons who gave him two beautiful granddaughter. He is a man who cares for the well being of all of his students even if he can't remember your name. He's always interested in watching students learn and he's one of those teachers who's not afraid to get involved. He is also a teacher who is always willing to listen to his students. He's a man with a compassionate heart, a caring soul and an amazing teachers. That's why we would like to dedicate the 2002 Mirror to Mr. Stephen Grant. Thank you for all your hard work.

MS. SARAH GIACALONE

Esteemed by colleagues, students, friends, and family alike, this year's recipient of the 2002 Yearbook dedication needs no formal introduction. Beloved for her intelligence, insights, keen sense of humor and strong commitment to young people, this amazing woman has left a life long imprint on the lives of the Waltham High School community.

Ms. Sarah Giacalone graduated as valevictorian of her class at Gloucester High School; she then received a bachelor's degree from Regis College and a master's degree from Boston College. Shortly after graduating, she began her distinguished career in the Waltham Public School. Those of us who were fortunate enough to know her will forever be indebted for her friendship, hard work, and warmth in helping us get the most out of our high school experience to attain our post-secondary goals. Ms. Giacalone is remembered fondly by colleagues and friends as a great role model, a women of dignity and a woman who empowered young people to strive to be their best. Sarah Giacalone was the complete professional who always put the welfare of her students above all else. For the gift of this great woman, counselor, teacher, and friend the class of 2002 is proud to honor Ms. Sarah Giacalone by dedicating our yearbook in her memory. On behalf of Ms. Giacalone Ms. Boyajian will be accepting this award.

FOOTBALL

NEVER LET ANYONE BLOCK YOUR WAY

The Waltham High School varsity football team had an excellent season, ending the year with seven wins and three losses. The team, led by captains Paul Brissenden, Joe LaCava, and Sean Losier, was the first Waltham football team in over twenty years to beat Brockton on Thanksgiving day for three consecutive seasons. After a slow start, Waltham won seven out of the last eight games to finish the season strong. The convincing victory over Brockton destroyed the Boxer's chance to go to the Division 1 Super Bowl Playoffs and made for a great ending to many Waltham football player's careers. All twenty-eight seniors will be missed next year as the Hawks strive for a GBL title and a Super Bowl birth.

CHEERING

ALWAYS ROOT FOR YOUR TEAM

As the football cheerleaders look back, they can say what a unique and memorable year they had; our year was truly an exhilarating experience. Laura Murphy, Shannon Orfice, Casey Boudrout, LeeAnn Parrella, Leah Castellano, Kim Hughes, Kelly Bourgois and Julie Denton were the returning seniors to the team.

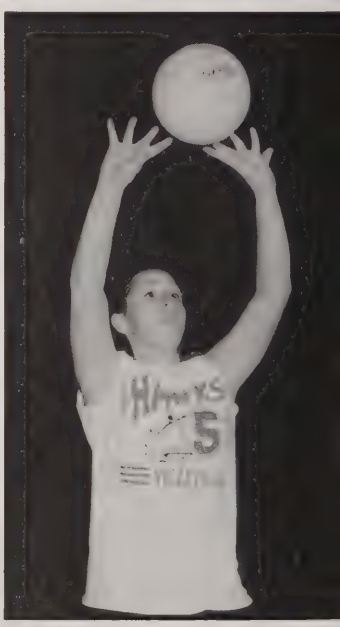
The team had many different varieties of talent. Each cheerleader brought something different to the squad. Whether it was their dedication at practice or the spirit they showed on the track, by the end of the season, everyone realized that this team had something that was irreplaceable.

~Leah Castellano

VOLLEYBALL

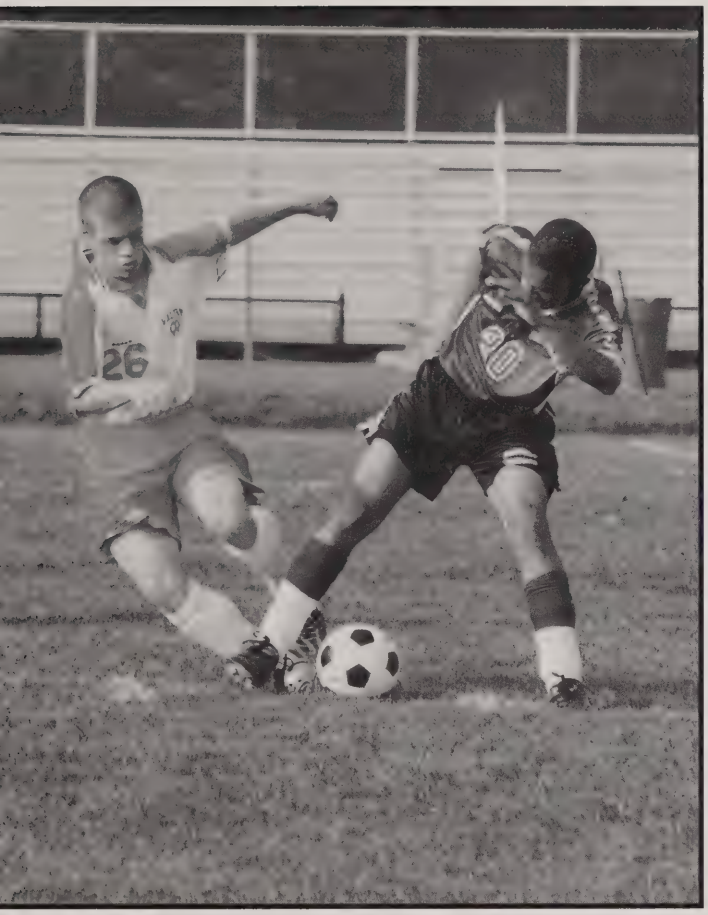
ALWAYS CLEAR THE NET

The Lady Hawks Volleyball Team soared to new heights this year, led by tri-captains senior Courtney Smith, junior Kelly Grimes, and sophomore Likica Greceva. The team's seniors will be greatly missed for their leadership roles and hard work. They include: Jenna Dallaire, Fabienne Guerrier, Cara Marchese and Erika Soucy. Next year's seniors are: Deepa Patel, Carine Cesar and Maria Siannas. The sophomore duo of Stacy Childs and Ashley Powers helped the team to bump, set and spike their way to second place in the Greater Boston League..... "Go Lady Hawks!" ~Allison Holmes



SOCCER

ALWAYS USE YOUR HEAD



After starting off the season with two resounding victories over Peabody (4-1) and Arlington (1-0), the Hawks soon stumbled after the loss of their standout goalkeeper, Carlo Fragale. Much of the year was marked by the last minute losses that overshadowed the determination and dedication of every Hawk player on the field.

In defense, the Hawks were led by seniors John Barrington, Chris Abbondanzio, and Raul Apparicio. Their veteran savvy proved to be a valuable asset by which the younger players learned. The midfield was a part of the game the Hawks seemingly dominated throughout the year. The experience and knowledge of senior Matt Cappetta, in addition to the eagerness of the other midfielders, combined for a potent play-making threat which held defenses in question time, and time again. Though the Hawks did struggle putting the ball in the net this season, seniors Allan Maina and Drew Rautenberg brought new meaning to the striker position.

The leadership, dedication, and sheer determination by the Hawks this year outweighed the number of games in the win column. Being a part of a varsity team is an honor; for the graduating seniors, being a part of the 2001 soccer team was nothing short of an experience of a lifetime.

~ Matt Capetta

SOCCER

ALWAYS BE ON THE BALL

One of the many traditions we had was to begin each game saying "Simply the best, P.I.C.". The pride, intensity, and commitment the team showed this year distinguished us as the Lady Hawks Soccer Team. Our strong record 12-5-3 does not do the team justice. The weekly team dinners, the scavenger hunt, apple making contest, candle light vigil, and the constant team bonding activities made this season so much more then just winning or losing soccer games. Seniors Kristin Failla, Cherly Furnari, Jenna LaCava, Sarah Milmore, captains Jen Brogan, Jena Coletti, and Erin Condon led the team in overcoming a two week slump by playing well against our non-league rivals. The emotion and intensity put forth in our tournament game against Lincoln-Sudbury was the culmination of many months of strenuous training and preparation. It was the best way to end the season with "NO REGRETS!"

~Erin Condon

FIELD HOCKEY

NEVER SHOW MERCY

The Waltham Lady Hawks returned this year with the intent of becoming a fierce competitor not only in their own league but in Division I field hockey. With five experienced seniors leading the way, the field hockey team did just that. For the fifth consecutive year, the Hawks captured their Greater Boston League Title. Included in their extensive schedule were three non-league games against three of the best teams in the state. Though not victorious (0-2-1 in non-league play), Waltham showed true heart combined with experience to give each team a great game.

Leading the scoring for the Hawks was junior, Michelle Sorrentino and Joanna Foley. Along with a strong offense, the Waltham defense was impermeable. With seniors Erica Jutstrom at sweeper, Missy Alcorn and Kristin Almeida at backs, and junior Liz Centofanti returning in the net, Waltham's opponents struggled to generate offense. Midfield senior, Lea Napolitano helped the defense by protecting the center. Coach Denise Nugent, once again provided the guidance, knowledge and direction for her team, showing them the path to success. Also providing leadership were tri-captains Missy Alcorn, Joanna Foley, and Lea Napolitano.

The Hawks ended their season 12-3-4 after a tough 2-1 loss to a competitive Chemsford team in the tournament. All and all, the combination of exemplary seniors and a talented core of underclassman, created another triumphant season for the Lady Hawks. For the graduating seniors, the last four years were quite a ride.

~Lea Napolitano

X-COUNTRY

ALWAYS KICK CAN

"To give anything less than your best is to sacrifice the gift,"-Steve Prefontaine. Long distance running is a sport of physical endurance and psychological will-power. The Girls' and Boys' Cross-Country teams exemplified these qualities in a memorable season.

Captain Liz Nichols, along with fellow seniors Marie Philippeaux and Pien Huang, guided the Girls' team. When several members became sidelined from injuries, sophomores Liana Tierney, Julie Nix, and Julie Walden stepped up with consistent and impressive times to complete the Varsity team.

Though the Boys' team was modest in numbers, it showcased the accomplishments of several talented runners. Led by junior Dan McGonigle, strong performances were also recorded by sophomores Jason Nichols and Chris Lapointe, junior Sean Murray, and seniors Ben LaPointe and Dhiren Patel.

There were no slackers in this sport. Only the strongest persevere, day after day, under all conditions. Great times led to lasting friendships within this supportive community.

~Pien Huang

GOLF

NEVER SETTLE FOR LASS THAN A BIRDIE

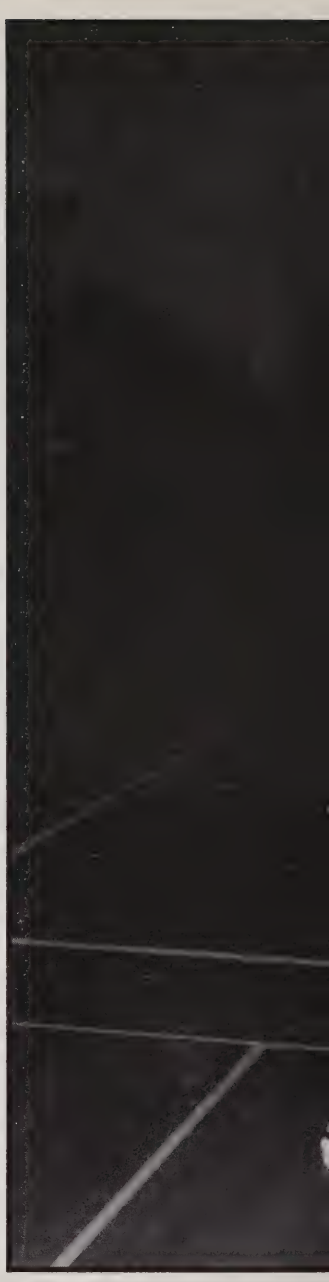
The Waltham High School golf team had a tremendously successful season, ending with an undefeated record of 8-0. Captains Mark Cardarelli and Darren Cormier led the team to be the GBL Champs of 2001. This was done under the supervision of first year coach Russ Sorin, who took the position that his father once proudly held. Along with the team's captains, seniors Donald Anderson, Jarrod Spice, Bobby Boudreau and Marc Womboldt all helped the team obtain their undefeated record. The departing seniors left the team feeling proud to have been part of an amazing group of golfers

~Leah Keirsteadw

GIRLS-BASKETBALL

ALWAYS BE ON THE BALL

This past winter, the Lady Hawks basketball team started their season prepared for the challenges of the Greater Boston League. The Hawks were led by three veteran seniors, Jen Brogan, Cassie Pelissier, and Lea Napolitano, who had all been part of the starting line up during the previous season. Alongside experienced juniors and sophomores to complete the team, the Hawks came out at full force.



Although the Lady Hawks opened up their season with two losses in two close games, their next game against Somerville provided them with a huge victory. The Hawks win over the Highlanders (beating their long time rival by more than thirty) set the tone for the season. The Hawks suffered a few tough losses along the way but were able to bounce back late in the season to upset Peabody, one of the top teams in both their league and state. Throughout the season, the Hawks played each and every game with both heart and intensity. On numerous occasions, the Hawks were faced with the injuries of key players, but Coach Nugent was always able to utilize her bench, taking great pride in the depth of her team. Nugent was always ready to combat the opponents with anything necessary and prepared her team well for all that was ahead.

The Hawks ended their regular season with an overall record of 13-7 while finishing third in the Greater Boston League. During non league play, they finished 2-2 including a great win over a tough Wellesley squad. Heading into the tournament, the Hawks had come together to win seven of their last eight games in regular season. The Hawks again demonstrated their determination when they upsetted the higher seed Boston Latin during the first round of tournament play. Although falling to Andover in the next round, the Hawks finished with an unbelievable season.

Neither box scores nor their overall record could encompass the accomplishments of the Lady Hawks this season. Co-captains Jen Brogan and Lea Napolitano both agreed that as a team, they achieved great success. The Lady Hawks hope to come out strong next year but will have to bear graduation losses of three very talented seniors.

~Lea Napolitano~

BOYS-BASKETBALL

NEVER MISS A FREE THROW

Opening the 2001-2002 season with a win against the defending state champs, Cambridge R&L, hopes for winning a league title were looking good. However, this year the GBL was stacked with strong teams that stood in the Hawks way. The team possesed a hard working, aggressive and positive attitude which was evident at each game.

The team relied heavily on the skill and experience of the seniors. They were led by captains Dominique Luis Ortiz, and Ruben Telfort, along with seniors Matt Burke, Sean Hoar, Tony Kinch and Dave Krueger who all provided outstanding leadership throughout the season. Juniors Mark Mitchell, Damian Shakespeare and sophomore Walky Magloire provided an extra spark for the Hawks.

The regular season ended with a record of 12 wins and 8 losses. The highlight of the season came when the Hawks beat their opening round opponent, St. John's Prep, in the tournament. In the next round, they suffered a tough loss to Peabody. Next year the underclassmen will provide a strong and competitive team, Good Luck Hawks!

HOCKEY

ALWAYS BE CHAMPIONS

When the 2001-2002 Hockey team stepped onto the ice in December, they had no idea what they were in for. With conceivably the toughest schedule in recent history, it would take all of the talent and perseverance that they could muster to make it to a tournament. Even with some tough losses to Billerica and St. John's, and a decent match-up with longtime rival Arlington, these games were no barometer for the finish they would revel in.

The team was led by senior Captain DJ Aucoin , along with fellow 4-year varsity players and senior Assistant captains Pat Watson and Joey LaCava. The three returning seniors Brian Dudley, Richie Patten, Sandean Losier bolstered their efforts. These six teammates and close friends instilled the best sense of unity that would hold the team together throughout the season

With a 17-6-1 season, and a seventh seed going into the State Tournament, this Cinderella band would have its way with the elite of the Middlesex League in a series of nail bitting wins. They ultimately faced seventh seed Springfield Cathedral in the Fleet Center, to find out that the light at the end of the tunnel...was the Hawks of Waltham High. The 2002 State Champions.

Coach John Maguire would mark his eighteenth season with not only the Divison 1 title, but also the honor of 2002 Coach of the Year.

There would be no..."Maybe next year" for these six seniors

SWIMMING & DIVING

ALWAYS HAVE DEPTH

The swimmers and divers hadn't had this much chemistry as a team for as far back as the seniors could remember. While the 28-member team was still female dominated, seven men stepped up as key elements in the success of the season.

Captains Katie Mills, Jeanne Jacobs and Allison Holmes led the team to a great season of 7 wins and 3 losses, putting them in second place in the Greater Boston League. Additionally, ten girls qualified for Sectionals and six went on to State Championships.

Liz Nichols and Kelly Albanese, both four-year varsity swimmers, greatly improved their times throughout the season, as did senior newcomers John Barrington, Mike Benoit and Roger Stamper. These three heartthrobs not only managed to score many points, but also psyched up the entire team before meets and at practice. Diver Pien Huang competed in the Girls North Sectionals meet with nine fantastic dives, while the three captains went on to swim at Northeastern University for the Massachusetts State Championships.

Coaches Michael Gavin and Heather Metallides helped the swimmers set and reach individual and team goals. They always reminded the athletes of two qualities that were important to the team: intensity and depth. These two things were what supported the Hawks through their victorious season, which included one school record in the 100 backstroke, set by senior captain Allison Holmes.

All the graduating team members hope that next winter's swim season will be filled with as much hard work, intensity and depth as this past one. Good luck Hawks! ~ Allison Holmes~

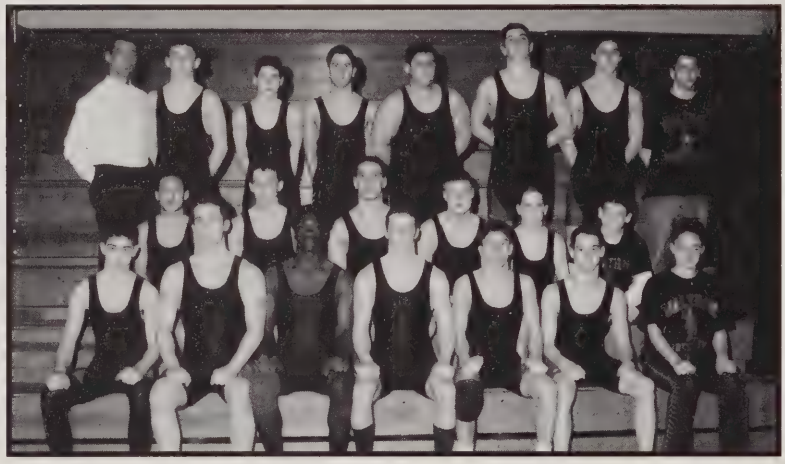
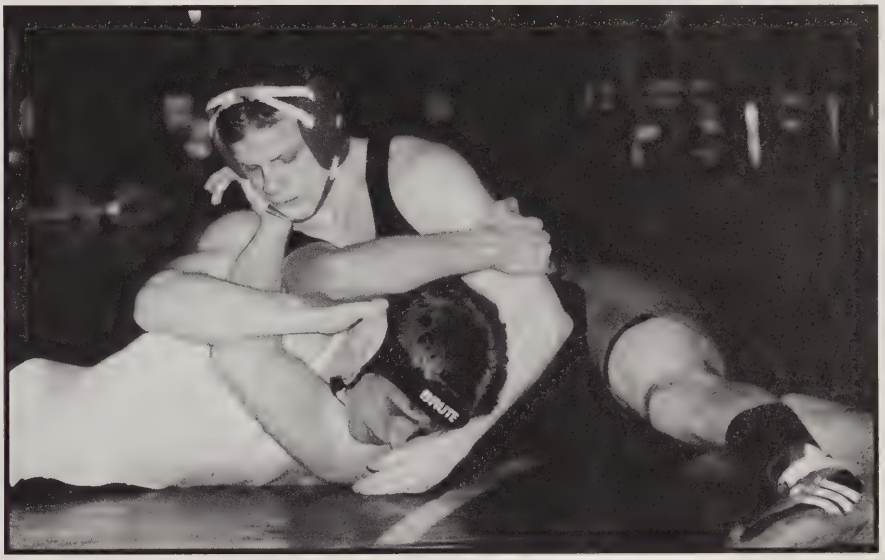
WRESTLING

ALWAYS BE ON TOP

Despite their shortage in numbers, the Waltham Hawks Wrestling Team was quite impressive. The Waltham "grapplers" upset the Plymouth South Panthers in what was one of the greatest Hawks victory. Along with the victory were twelve other wins giving the Hawks an overall record of 16-8. Coach Carl Cincotta's Hawks were led by junior captain Jim MacDonald and senior captain Yaw Owusu. There were many other contributors to the Hawks success this past season including sophomore Mike Robichaud, juniors Mike Arone, Raff Bibbo, John Paolino, Matt Chiem and senior Justin Bowen all made it to the Sectional Tournament. Justin and Yaw ended their memorable wrestling careers with a pair of seventh place finshes at the Sectional Tournament. Captain Jim MacDonald finished an outstanding year with a second place finishes at Sectionals and sixth at the Division 1 State Championship. Waltham was proud to honor junior Mike Aaron with his 100th career victory and first place finish at the Massachusetts All-State Championships held in Salem. Mike later went on to finish sixth in New England. The young Hawks Wrestling Team will be losing two seniors and are looking forward to next season.

~Mike Arone~





INDOORTRACK

NEVERLETTHINGSSTANDINYOURWAY

Leading the way for the Hawks this year were the captains on the Waltham High Track team: Marie Philippeaux and Jaclyn Doucette. With their outstanding leadership skills and determination for the sport, the two not only improved in their own races, but also encouraged and inspired the underclassmen to meet their personnal best. Although the Hawks came out of the season with a 2-6 record, the two co-captains set an example for future classes by competing with the team in the State Relay and Greater Boston League Meets. Regarding the State Relay, the Lady Hawks finished fourth; at the GBL meet, the girls' team placed third in the 4x800-meter race, and they finshed fourth in the 4x200 meter race. The captains leave a record of six years combined to track members: Beth Karakasian, Erin Keohane, Meaghan Donolan, Dani Niro, Courtney Francis, Liana Tiernay and Julia Nix. Though the Track team will be left under new leadership after Coach Kent Hales retires, the team will still succeed in the future. "Kick can" girls and leave them, in the dust!

OUTDOOR TRACK

The Boys Outdoor Track Team had a great and successful season. Despit the lackof seniors on the team, we were able to have a productive year. Junior captains Ralph Chery, Keith LeVan and Chris Ward lead the team to finish 4-4. Help with pointscoring came from sophomore David Williams competed in both the 330m hurdles and the 110m high hurdles. Juniors Tyrell Robinson, Jowhas Dominique, Keith LeVan and Freshman Luis Cotto composed the 4x100m relay. Juniors Ryan Hache, Chris Whittier and Sean Murray were our distance runners. Chery, who competes in the 400m, did the 800m and came out victorious. He did the high jump, along with LeVan. Our Juniors and Sophomores threw the shotput and discuss, a great hel[pto the team. Ward went undefeated in the 110m, 200m and the long jump this year. He went on to break the school record for the long jump (21'9"), jumping 22'3 1/2" at the state relays where he, as well as Chery and William, placed fourth in the long jump relay. Chery and Ward were invited to the state coaches meet. Ward got first in the long jump at 21'10". Chery got his season best with 53.5 seconds in the 400m. Hopefully our boys can place in the State meet next season. Good luck!!

The Waltham High Girls Track Team improved greatly this season due to our new coaching staff, lead by Head Coach Francois Joseph and Assistant Coach Valius (Roody) Herold. Although the success may not be evident in our record (2-5-1), everyone showed improvement. The team was lead by our tri-captains, Seniors Marie Philippeaux and Kelly Albanese along with Junior Alison Smizer. Other upperclassmen included: Senior Melissa Meehan and Junior Erin Keohane. Despite the fact that our team lacked in numbers, the GBL should be on the horiaon for our promising young athletes, especially sophomore Andrea Jacobs, who now holds the school record in the 200m and the triple jump. Good luck for next season!!

SKIING

NEVER EAT YELLOW SNOW

The WHS Ski team had an exceptional year. Under the instruction of coaches Roni Sue Pomeleau and Allison Renna, and with the leadership of captains Jenna LaCava and Sean McCue, the team recruited 12 new racers from all different grades to increase the team to 22 racers, one of the largest ski teams in a long time.

The racers started off the season with the girls finishing first in the MBSLE and the boys finishing third. Throughout the season the girls team was neck to neck with their long time rival Dover-Sherborn. In the end, the girls team placed second overall and first in the large school division. The boys finished fourth overall.

Towards the end of the season, the girls team qualified to race in the state meet along with Sean McCue. The five girls who raced, Jenna Lacava, Katie Connors, Stephanie Viera and Jane and Kat Cappariccio scored enough points to win fifth place in the state. Katie Connors went on to race in the regionals. Sean McCue finished in the top 20 in each race.

The ski team will suffer the losses of four seniors, Sean McCue, Kris King, Jenna LaCava and Kara McEneaney. However, the ski team has always been strong and I'm sure it will remain strong. Good luck to next year's team!

GIRLS LACROSSE

NEVER LOSE SIGHT OF YOUR GOALS

The 2002 girls lacrosse season was a monumental one. The team made history for the program. This was the first year the girls team made it to the state tournament. The team strived for this goal since the beginning of the season and felt so proud to finally accomplish this goal.

Second year varsity coach Beth Schaufus, and assistant coaches Payton Lucas and Emily Stanton, did a wonderful job with the team this year. They have brought the girls lacrosse program to a new more competitive level. The team, although losing to the tougher Lexington, Winchester, and Arlington gave their opponents quite a scare in almost every game. The scores were too close for the other teams to handle. A few more seasons could bring on a victory for the Hawks who have only been playing for five years.

All four seniors, captains Jenna LaCava and Kristin Failla, Jena Coletti and Jen Brogan took on a leadership role. I know that we will all miss our teammates next year, but I'm sure the seniors will step up and take charge. Good luck to next year's team and I hope you make it even further into the tournament.

~ Kristin Failla~

BOYS LACROSSE

NEVER QUIT

The Boys' Lacrosse team had a lot to live up to this sesaon following last year's amazing tournament run to the East Mass semifinals, which included an upset of the number one seed Duxbury. Unfortunately the Hawks could not live up to the success of last year's team and suffered a disappointing 4-13 season.

The team however, was a lot more competitive than their record may indicate as they lost more than half those games by one goal. In many of those games the team let the lead slip away and often lost in the closing minutes of the game. The offense was lead by senior co-captain Sean Losier, the team's leading scorer, and midfield linemate Pat Watson. Juniors Sean Sullivan, Dan Giovanazzo and senior Matt Capetta also contributed offensively. The defense, which was often inconsistant, was lead by co-captain Paul Brissenden and juniors Dan Ianetta and the infamous Evan Gately. Seniors Denis Mahoney and Dan Navin also contributed defensively and senior Andrew Greco played as a goaltender.

The future looks bright for Hawk's lacrosse however as the team only loses seven seniors. The Hawk's look to have a stellar goaltender in freshman Tom Duca who came up early in the season from the freshman team. The team will also be returning quite a few sophomores and juniors; hopefully the returning players will use this rebuilding year as a building block for next season.

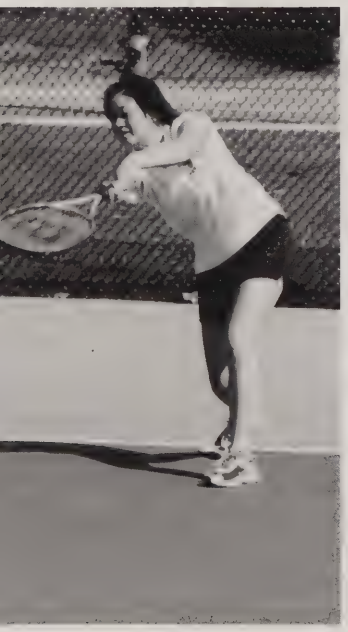
GIRLS TENNIS

The Waltham High School Girls' Tennis team made vast improvements in their 2002 season. The team was lead by senior tri-captains Erin Condon, Jen Gardner and Anny Luu. The girls all took on versatile roles playing in different spots.

The captains were joined by juniors Anna Gokfeld, Deepa Patel, Cynthia Chow, Sheena Vitery, sophomores Gina Sabatino, Jill Martin, Jayme Mahoney, Bianca Destefano and Nali. They worked hard, had fun and improved their record. The team did not have a winning record, but it was a success for them.

~Erin Condon~



BASEBALL

ALWAYS KEEP YOUR EYE ON THE BALL

With 17 seniors on the team, the Waltham Hawks improved their overall record from the 2001 baseball season. Although the Hawks were not able to make the tournament, they played tough all season. Led by captains Matt Morizio, Dave Krueger and Brian Dudley, the Hawks were able to beat strong teams such as Billerica, Cambridge and Everett. These games were won with pitching efforts by Joe Komow and Donny Anderson, hits by Joe LaCava, Pat Gahan, Keith Levan, John Barrington, key baserunning by Justin Aucoin, Kris King, Chris Jones, Roger Stamper, Mike Pellitier and good fielding by DJ Aucoin, Jarrod Spice and Mark Cardarelli. Juniors Chris Graceffa, Jim MacDonald and Vinny Cirino will try to improve on this year's record.

Congratulations to Matt Morizio for being drafted by the Major League baseball team the Padres!

SOFTBALL

ALWAYS BE ON THE BALL

This season has been one wild ride! Coming from last year's record of 2-16 to a triumphant entrance into the tournament this season shows a great improvement. The team's hard work and dedication to the sport brought us to the top. We pushed each other to our limits and were always up for the challenge. The positive reinforcement came from our fine leaders on the playing field. We had a great group of seniors this year who each brought something unique to the team. Jayme Rautenberg had the honor of being elected league MVP. Sarah Milmore and Jen Tagarelis held up the infield and Nicole Ruggeri was a solid hitter at every bat. While Missy Alcorn and Kristin Almeida never failed at the last line of defense in the outfield. Together along with fellow teammates the WHS softball team has made winning a goal.

Music Unlimited

..... Let the love shine in your eyes

Music Unlimited is a coed, 38 member, singing and dancing, competition choir. We rehearse anywhere from 4-7 hours a week. We are led by Mrs.McIvor who also bring us prestigious vocal adjudicators and famous chereographers from across the country. This years group performed a variety of numbers including a Michael Jackson Medley, a ballad called "I'd Rather Leave While I'm in Love," and a Blues Brothers Medley. Our show this year won us two Gold Medal ratings as well as the title of Grand Champion Show Choir. We also hosted the 16th annual Eastern Show Choir Festival, which was a great success. Our flamboyant fringe mini-skirts, feathered corsettes and guys in blue spandex, as well as our remarkable dedication, talent and over all syneregy have made us an unmistakable choir with an unbelieveable year in 2002!

..... Let the love shine in your eyes

Senior Revue...a time where the senior class comes together to put on a show for family and friends...a time where joy and laughter are shared...a time where all are having fun singing, dancing, and acting on stage.

A show that is usually performed at the end of the year was performed in the beginning of the year in accordance with the recent tragic events. Senior Revue was appropriately titled "Proud to be an American" and was directed by Debbie Finnell. MCs Tina Baker, Kara Clarke, Kevin Durand, Amanda Hines, Tim Hines, Jeanne Jacobs, Dave Krueger, Katie Mills, Jesse Sinerate, and Will Sweet led the show.

After many practices and a busy schedule, the seniors put on a great show. The audience laughed as skits were acted out. They watched in amazement seeing how well the dancers danced. They listened in astonishment not believing that these were seniors singing. In the end, all their hard work paid off. New friendships were made and the senior class is now closer than ever.

French Club

The Waltham High School French Club had an enjoyable year. Under the leadership of President Athanasios Vorvis, Vice President Grace Balian, Secretary Thanh Pham, the club was involved in French themed activities during the school year. Ms. Meade and Ms. Andressean hosted a Valentine's Day crepe party along with an after school movie. The club wishes next year's members a prosperous and fun year.

...Always be multi-cultural...

The Italian club accomplished all of its goals for this year. Led by co-presidents J.T. Graceffa, Tricia Carbone and Kelly Albanese, our club had much fun. In February we had a carnival night with Italian food, a raffle, a live singer with an accordion player and students dancing to the Tarantella. For our annual field trip, we went to the Fogg Museum in Harvard Square and to an Italian restaurant in Somerville.

Italian Club

Latin Club

The Waltham High School Latin Club is among the most unique in the school. Under the leadership of Ms. Castillo, the club decided not to appoint club officers. Instead they aimed to be an equal and student run organization. The club had non-conventional means of fund raising by running singing telegrams instead of selling candy, for example. Activities during the year included watching a Roman Play at the Stran Theatre. This year the group consisted of about 40 members. The seniors wish the rest of the club well for next year.

...Never forget the language...

Spanish Club

During the 2001-2002 school year, the Spanish Club's officers were: Deepa Patel, president, Renee Boudreau and Adam Dalicandro, co-vice presidents, Maria Kermanidis, secretary, and Kaitlyn LeBlanc, treasurer. Mr. Carolan and Ms. Geaney, the club's advisors, helped to plan fundraisers and coordinate events throughout the year.

Our fundraising started off with a candy sale before christmas, then a carnation sale for Valentine's Day, delivering over 800 flowers throughout the day. Some of our outings included: going out to eat after school at Spanish restaurants such as the Iguana Cantina, and going to see Spanish plays such as Don Quijote.

The Art Club

This year has been one of the best years the Art Club has had. We have held five after school activities, many more than last year. Our first field trip was Halloween themed with a trip to Decordova's Monsters and Wonders exhibit. The next activity was a bake sale for Student Santa day. From this, we made enough money to last the club to the end of the year. We then had a winter season party with a Yankee swap, which was lots of fun. A few months later we met again to make masks. We each decorated them at home, and a week later held a mask contest and party. In the early spring we took a trip to the Fogg Museum at Harvard. We have all had a wonderful year and hope that next year is just as great, though we will miss all of our senior members.

...Always express yourself...

The Abstract, Waltham High School's literary magazine, is a compilation of selected art and literature composed by our students. The program is open to all students, with few limitations on what they can submit. The Abstract's committee includes students from every grade level. As a group, they select pieces that best reflect the author's mood and message. They peer edit and ask for feedback from all committee members before making a final decision. These works typically are an array of short stories (fiction or nonfiction), poems, lyrics, and art work. The Abstract is a great way for students to be able to express themselves through the media of literary and artistic composition.

The Abstract

Bio - Chem Club

Under the leadership of Jonathan Borras (president), Ashlee LaRoche (vice president) and Pat Tarallo (treasurer), the Bio-Chem Club has experienced one of the most event-filled years in its existence. This year we had one of the largest turn outs yet. Our events reflected the club's diverse members. For our academic students we attend lectures on Bio Technolgy, Botany and Chemistry. For those who persue science as a whimsical fantasy, we went kayaking on the Charles and saw an Omni-Theatre show at the Museam of Science.

...Always love the Earth...

Environmental Club

The Environmental Club had a very fun and productive year. Activities included: apple picking, courtyard cleanups and making bird feeders out of pine cones and peanut butter. In preparation of the Envirothon, the Environmental Club attended workshops and lectures which were usually followed by trips to The Wrap for burritos. The Environmental Club worked hard all year to raise the school's environmental awareness and promote action. Holla!!!!

Y.O.U.

Youth Opposed to Using is a group at Waltham High School whose members pride themselves for their resistance to drugs and alcohol. The mission of our group is to provide benefits for students who are able to withstand the pressures these substances can create for teenagers. In fact, students who sign up for the group agree to be drug tested at random during the school year.

This year, our elected officers included President Dave Krueger, Vice-President Jesse Sinerate, Secetary Sarah Milmore, and Treasurer DJ Aucoin. The officers worked with Mr. Maguire, Mr. Hallion, and Rookie Advisor of the Year (2000-2001) Mrs. Renna to come up with new ways to reward Y.O.U. members for their smart decisions. The ideas should become effective in the near future as group funds increase.

The Ski Trip, which took place early in March, is still the only even that can attract more than 80 kids to school at 6:00 in the morning. This year the group stayed at Beattie's Trailside Lodge and skied at Killington for the second year in a row. The words cowbell and toga should ring a bell to kids who went to the trip.

A Y.O.U. trip to Six Flags was held in June. This rewarding event at the end of the year is a great incentive for students to join Y.O.U. and a great bonus for the kids who are already part of the club.

Thank you Y.O.U. for providing a reason to stay away from drugs and alcohol, and good luck to next year's club.

...Always keep the peace...

Mediation is a way of helping students to resolve their conflicts by talking to each other. This process involves mediators. Mediators are students who have been trained to listen and assist students to discuss the conflicts and try to work towards a safe and confidential agreement. The benefits of mediation are a better school environment, and teaching life skills. It helps kids to learn how to address their conflicts with words not violence. The peer mediation program for 2001-2002 consists of 44 peer mediators. Nineteen sophomores, twelve juniors and thirteen graduating seniors. Good luck to next year's program.

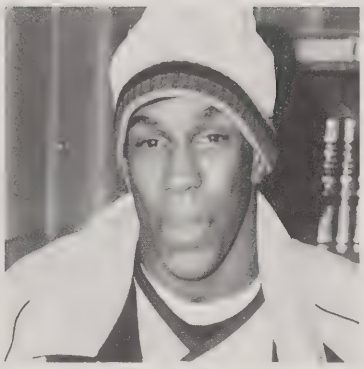
Academic Decathalon



Academic Decathalon had a good year. We made it to the state finals. We placed 8th in the regionals and 10th in the state finals. Hirak Shah won a bronze in Economics at the regional tournament. Also, Doug MacDonald won a silver medal in Music, and Paul Caira won honorable mention in music at the regional tournment. Jon Borras won a bronze medal in Science at the regional tournment. Mark Cardarelli won a coaches award. Good luck and study hard for next years Academic Decathalon.

Mock Trial Club

The Mock Trial Club was started last year by Tricia Carbone. This year, with the help of Mr. Duffy and Mr. Gavin we were able to hold our first mock trial at the Waltham District Courthouse. The trial we held was based on the Sam Shepard case. The prosecution team consisted of Amanda Gordick, Chris LaPointe, Maria Siannas, Lea Napolitano, Thanh Pham, Bhumika Patel, Jean Johnson and Kelly Johnston. The defense team consisted of Erin Condon, Julie Denton, Dave Krueger Mark Carderelli, Tricia Carbone, Dan Navin and Bob Boudreau. Even though the majority of the club is seniors, we hope the club will continue in the years to come.

EPIIC

The topic of EPIIC this year was Global Inequities in the Americas. EPIIC spent their time researching this point and how it pertained to their country, Columbia. EPIIC collaborated with mentors from Tufts University to prepare themselves for the culmination of all their hard work; a weekend symposium at Tufts which was a simulation of an international conference meeting. To fully understand the Colombian culture, EPIIC members participated in traditional Colombian dinners and dances.

...Always embrace your differences...

Pride

Pride had a busy year, most of which centered around the planning and execution of Unity Week. All of our hardwork paid off and the week was a success. For weeks after Mykee Fawlon's performance of "You Don't Know Me 'Til You Know Me" the hallways echoed with shouts of "You are beautiful!" Pride worked hard all year to show the school the importance of tolerance and acceptance for all students. Pride helped to create a safer school environment and to show us that we are all truly beautiful.

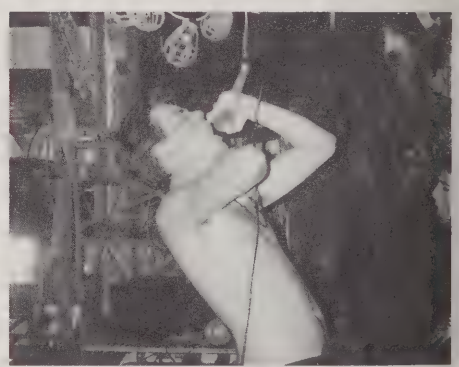
Senior Bands



A Cold Reality is made up of five anxious teens with metal in their blood. ACR delivers music consisting of heavy yet melodic, technical riffing, vicious screaming and drums that will destroy your hearing. ACR's songs are filled with emotion, anger and pure heart. ACR has put out one demo and one full length CD in their three years of being together. Every note in an ACR song has meaning behind it, and every song tells a story through the eyes of these grief stricken souls.

ACR has been through several setbacks including four drummer changes in two years, an almost career ending injury and plenty more which could be added to "The ACR Curse". ACR has risen and played shows in venues all over New England including headlining a show at The Palladium and a show on Halloween at Axis. ACR is Justin Joseph on guitars and backing vocals, Neil Souza on bass guitar and backing vocals. Jimmy Campbell on lead vocals and Josh Hamwey on drums.

No Allegiance first began in the summer of 2000. They began writing music and first played in October of that same year. Ever since then they have been through many changes but were still able to stay together. Now with new members and a new style of music they hope to continue in the music business and release their first album and hopefully become a successful band.

Step Squad

Step is a form of dance which originated in Africa. It includes of many variations of hand clapping and stomping of the hand and feet and was brought to America by slaves. It was a form of communication and entertainment. Throughout the years there have been many styles of step. However it has now been improved with props and mordernized with time. T.I.Y.A.D.I (Talented Innovative Young And Diverse Individuals) Step Squad was founded in February of 2001. It started as a student organized that was created by Anaica Joseph and Nahomi St. Fort. Their main motive was to start a diverse group and to continue step in Waltham. This years step squad, which consists of 15 steppers and 3 captains, Nahomie St. Fort, Sheryl Furnari and Junior Lesta Vernet. They also placed 3rd in the state champions and competed in the 2002 Greater Boston Step Association at the Reggie Lewis Center in the senior division. They have performed in many shows and supported the Hawks by stepping in both boys and girls basketball games. They would like to thank their advisors Mr. Mayberry and Tameka Pringle.
